*Because this is my first year as Superintendent-Director at Greater New Bedford Regional Vocational Technical High School, and you and I are both beginning new journeys this year, the Class of 2006 will always have a special place in my heart.*

*I'm very proud of what you have accomplished, both here and in our community. You've worked hard and made us proud. And I'm confident that you will continue to use your talents wisely, wherever life takes you.*

*You are graduating from the finest vocational-technical high school and you have the academic and technical skills necessary to succeed in today's competitive world. Your future can be whatever you want it to be. Choose wisely. I hope the memories of your time here at Greater New Bedford Regional Vocational Technical High School will stay with you always.*

*Again, congratulations and good luck.*

Linda Enos

Congratulations to all of our graduates on the eve of the next chapter of your lives! This is an exciting time for all of you and your families. You have the tools and knowledge that you need to be a productive citizen. You are the future.

# Football 2005

This year's football team was filled with many pleasant surprises. There were many seniors who had strong years as well as many young players who shined throughout the season. The team did set very high expectations for themselves and even though they did not win a championship it was a pleasure for the coaches to be associated with this group of senior leaders.
